

## 2009 KOPAST International Symposium on Packaging Science & Technology (KOPAST & KITECH)

- ◎ **Date & Time** : June 4, 2009 (10:30~17:00)
- ◎ **Venue** : KINTEX (Ilsan) Exhibition Area (Seminar Hall 5)
- ◎ **Organization** : Korea Society of Packaging Science & Technology (KOPAST)  
Korea Institution of Industrial Technology (KITECH)
- ◎ **Sponsorships** : Kyongyon Exhibition Co.
- ◎ **Program**

- Main Title : Sustainable Solutions for Packaging Industry

| Time  | Title  | Speaker  | Moderator   |
|---|--|--|---|
| 10:00~10:30   | <b>Registration</b>  |  |   |
| 10:30~10:40   | Opening address  | Prof. Keun Taik Lee<br>(President, KOPAST)   | Prof.<br>Ki Meong Kim<br>(Korea Univ.)                |
| 10:40~11:20   | Korea carbon footprint<br>labelling and its activities                                 | Dr. Ik Kim<br>(Carbon Management Team,<br>KEITI)   | Prof.<br>YounSuk Lee<br>(Yonsei<br>Univ.)             |
| 11:20~12:00   | Sustainability in PET<br>packaging   | Dr. Yangjai Shin<br>(School of Packaging,<br>Michigan State Univ., USA)  |   |
| 12:00~13:00   | <b>Lunch</b>   |  |   |
| 13:00~13:40   | Public marketing approach<br>for sustainable society:<br>Herasou (Reduced)<br>shopping | Prof. Masanobu Ishikawa<br>(Graduate School of<br>Economics, Kobe Univ.,<br>Japan)   | Prof.<br>Chun Ki Min<br>(Yong-In<br>Songdam<br>Univ.) |
| 13:40~14:20   | Sustainable packaging in<br>view of food quality                                       | Prof. Horst-Christian<br>Langowski<br>(Chair, Food Packaging<br>Technology, Technische<br>Universitaet Muenchen,<br>Germany) |   |
| 14:20~14:40   | <b>Coffee Break</b>  |  |   |
| 14:40~15:20   | Sustainable food<br>packaging: the role of<br>scientific research                      | Prof. Luciano Piergiovanni<br>(Dept. Food Science &<br>Microbiology, Univ. of Milan,<br>Italy)                               | Prof.<br>Su-il Park<br>(Yonsei<br>Univ.)              |
| 15:20~16:00   | Chemical recovery of<br>packaging waste in Japan                                       | Dr. Shunji Kojima<br>(General Manager, Toyo<br>Seikan Kaisha, Ltd., Japan)   |   |
| 16:00~16:40   | Development of new<br>sustainable packaging<br>materials                               | Dr. Mikael Gallstedt<br>(Senior Researcher, STFI-<br>Packforsk AB, Sweden)   | Prof.<br>InSik Park<br>(Kyongbuk<br>Sci. Univ.)       |
| 16:40~16:50   | <b>Closing Remark</b>  |  |   |
| Providing simultaneous interpretation (English to Korean) |  |  |   |
